## ADVICE FOR VISITING TEAMS

**Parking:** Home team to park in front of the Babcock Centre (*not* to the rear in front of the Ski Centre). Away teams should park on the approach road to the playing field (signposted 'To Ski Centre and Babcock Building'), on the right hand side, in front of the green railings, where there are 18 spaces signposted 'Worplesdon Rangers and Babcock visitors'. If these spaces are full, please use the adjacent Sixth Form College car park. Please do *not* use the Ski Centre car park, or block the college caretaker's driveway

**Pitches:** Access is through a gate at top of the approach road

**Toilets:** There are toilets at the Babcock Training Centre. Please ask home Team Manager for a key if not open. Please do *not* use the Ski Centre toilets

**Smoking:** There is a strict '**No Smoking**' policy at this ground

**Dogs:** We request that you do **not** bring dogs onto the playing field or school grounds; this is a school facility

**General:** Please be considerate to local residents with regard to parking, litter and general conduct
