# INTRODUCING OUR FOOTBALL CAREER WORKBOOK

Careersinfootball.com have created a new career workbook for young people (aged 9yrs+) to introduce them to the different careers in the football industry.

We aim to broaden their knowledge and raise their aspirations to help them achieve their ambitions in the future.

The Career Workbook introduces you to 13 different careers in football including, football coach, journalist, nutritionist, kit designer and many more...

For more information and to order the Career Workbook please visit:
