7. CHANGES TO CLUB RULES

- 7.1 Apart from an Extra-Ordinary General Meeting or the Annual General Meeting, the Committee is the only body that can make changes to the Club's rules and procedures
- 7.2 Any Club Member can apply for a change in the rules

7.3 Proposals must be submitted in writing to the Club Secretary by the 31st March each year, signed by the proposer and seconded

7.4 Changes to the Constitution can only be confirmed at an Extra-Ordinary General Meeting or the Annual General Meeting.

8. FINANCIAL CONTROL

8.1 The Management Committee and in particular the Treasurer, is responsible for the finances of the Club and answerable to the FA, leagues and to Club Members for the integrity of the accounts

8.2 The accounts will be independently scrutinised by a suitably qualified individual, who reports their findings to the Chairperson

8.3 There will only be one Club bank account. However, additional sub-accounts of the main account may be opened with the approval of the Management Committee e.g. to separate funds restricted for specific development purposes

8.4 There can be up to four nominated signatories of which two (who may not be married or common law partners) must sign all cheques

8.5 All expenditure must be authorised by the Committee

8.6 Any assets purchased are the property of the Club

8.7 The Treasurer must submit a financial return each month, detailing receipts and expenses for the calendar month

8.8 Through their Team Rep., each Team Manager is responsible for ensuring timely collection of the annual registration fee and that match fees and all-weather pitch hire costs (which have to be self-funding) are paid in regularly at monthly Committee Meetings, in a manner that helps protect the Club's cash position

8.9 Annual subscriptions are approved at the AGM. Downloadable Club 'Player Registration Forms' are available at www.wrfc.club and are to be completed and handed over with a cheque payable to 'Worplesdon Rangers FC' directly to the Club's Membership Secretary or via the Team Rep. during early September, prior to the start of the playing season.

For players looking to join the Club, both at the outset or later in the season, a two-week 'taster' session is permitted, covering training only. During this period, a Player Registration Form does not need to be completed, nor is the annual subscription payable during this time. However, the names and contact details of all players undertaking this two-week trial period need to be forwarded immediately to the Club Secretary for insurance purposes. Should a player under trial decide against joining the Club after two weeks, the Manager should inform the Club Secretary so that the player's details can be removed from Club records accordingly. In the event of a player deciding to join the Club having completed their two-week 'taster' period, the annual Player Registration Fee then becomes payable.

For late joiners, the Player Registration Fee is to be calculated thus: (1) The full *membership* component of the fee is payable, regardless of the month in which the player joins the Club (2) the *training* component of the fee should be calculated on a pro-rata basis, assuming a September to May (i.e. 9-month) playing season. This pro-rata component should be calculated from the 1st of the month following the completion of a new player's 2-week trial period (3) The total Player Registration Fee payable for a late joiner is thus calculated by adding together these two amounts (i.e. 1 + 2, above). Once a decision has been taken to join (or re-join) the Club, players who have not completed a Player Registration Form and who have not paid their annual registration fee (in total, or in part, by means of an agreed Payment Plan) will not be eligible to train with the Club or play league football

It is the responsibility of Team Managers to retain a copy of the Player Registration Form, complete a Club 'Master Team List' form and return this list to the Club Secretary by 1st September each year. Team Managers must submit further updates to this initial list throughout the season if new players join their squad. Downloadable Master Team List forms are available from the Club's website at www.wrfc.club. Without the list of team members, players are not covered by the Club's insurance.

9. TEAM CONTROL

- 9.1 A register shall be kept of all Officers, teams, Managers, Assistant Coaches, and Team Reps. and their personal details and relevant qualifications
- 9.2 It is the responsibility of each Team Manager to keep an up to date record of kit and equipment used by their team
- 9.3 A register will also be maintained by each Team Manager or Coach of all players in their team, together with personal details
- 9.4 Any movement between teams will require discussion with Managers, the players and the parents

9.5 Where there is a conflict of views, the Committee will be consulted. The lower team (if the teams are structured that way) in any age group shall endeavour to provide football to a wider ability range.

10. TEAM ORGANISATION

10.1 The organisation of football teams is necessarily built around the coaching staff

10.2 Each team is organised as follows:

10.2.1 **Team Manager:** *Mandatory.* The Manager will have overall responsibility for the team and he or she should be the first contact to discuss any issues. Managers should be qualified to FA Level 1 Coaching and have a current enhanced DBS check (if over 18) logged with the Club's Child Welfare Officer

10.2.2 **Coach.** ALL must undertake enhanced DBS checks if over 18 and will benefit from taking the FA Level 1 Coaching course

10.2.3 **Assistant Coach.** ALL must undertake an enhanced DBS check if over 18

10.2.4 **Team Rep.** *Mandatory.* Deals with matters of team welfare and player/parent concerns. Alternative contact to Team Manager for discussing issues. Encouraged to attend the monthly Committee Meetings on behalf of the Team Manager to provide two-way communications between the Manager and parents and to share the workload of running a team, so that Team Managers and Coaches are freed up to concentrate on the core aspects of their role. Normally would collect match subs and hand monies to the Treasurer or the Membership Secretary at each monthly Committee Meeting. There is no requirement for Team reps to undertake enhanced DBS checks unless a unique aspect of their role means that they have regular, unsupervised contact with players

10.2.5 **First Aid.** *Mandatory.* Each team must have at least one designated 'First Aid Assistant', qualified to FA Emergency Aid standard. The team's First Aid Bag must be taken to all training sessions, matches and tournaments and must be kept fully stocked, with all supplies kept within their expiry date.

10.2.6 **Tournaments.** Teams may enter tournaments, which must be self-funding and sanctioned by the FA. The Team Manager must notify the Club Secretary of tournaments that will be attended. Each team is responsible for paying the entry costs and reclaiming monies from the players/parents as required

10.2.7 **Overseas Tournaments.** Teams may be given permission to tour. Full details of where, when, numbers of adults and players must be given in writing to the Club

Secretary at the earliest date in order that the request can be discussed at Committee. The Club Secretary will be responsible for obtaining FA approval to tour, have copies of tour insurance and a list of those travelling. In addition, contacts at home of lead persons must be included

10.2.8 Playing Kit. Home and away playing kit is only to be purchased through an approved Club Member, with Management Committee sanction and via the Club's online merchandising facility, available on the Club's website. Training tops, waterproofs etc. can be purchased direct, using this facility. The Club colours are navy blue shirts with sky blue inserts, navy shorts with sky blue inserts, navy socks with sky blue detail, or where two teams make up an age group, the second kit may be sky blue shirts/navy shorts with sky blue inserts and navy socks with sky blue detail. The Committee may also approve an 'away' shirt in an alternative colour to blue, should this be deemed necessary by the Team Manager. All away kits must be purchased through the approved Club Member. Team kit provided by a sponsor and ordered in this way is considered 'gifted' to the Club and remains the property of Worplesdon Rangers FC

10.2.9 Cheques. Cheques to be made payable to Worplesdon Rangers FC for subs, annual subscriptions, sponsorship, kit, fines etc. and not to individuals

10.2.10 Coaching. All Coaches/Managers/helpers must complete a Club Volunteer Form at the time of volunteering and undertake an enhanced DBS check at the earliest opportunity, arranged via the Child Welfare Officer. New volunteers must have their enhanced DBS check approved before taking up their coaching duties, unless they are directly supervised at all times by a more experienced coach who possesses current DBS clearance. Existing volunteers who are required to renew their enhanced DBS must do so within the timescale stipulated by the Committee. Any volunteer who refuses (for whatever reason) to undertake an enhanced DBS check or who delays submitting their application when requested to do so will be suspended from their duties within the Club until such time that DBS clearance has been granted. A letter confirming this suspension will be sent to the individual by the Committee. Team Managers must take the FA Level 1 course within 12 months of taking on the management of a team from Under 7s upwards, to comply with FA Charter Standard Club requirements

10.2.11 Player Fines. Any player who receives a Yellow or Red card booking is responsible for paying the fine within 21 days to the Club. Worplesdon Rangers FC will pay Surrey FA upon receipt of confirmation and reclaim from the player. Any bookings must be notified on the same day to the Club Secretary and the Membership Secretary. If a player does not repay the fine within 21 days of issue, they will be suspended from playing until the fine is paid by cheque (payable to

Surrey County FA

‘Worplesdon Rangers FC’). With regard to player disciplinary matters, no conversation should take place with any player (18 years or under), or their signature requested for any official documentation, without either a parent or guardian present

10.2.12 **Accounts.** A financial summary (written or verbal) of income and expenditure for the relevant period, as well as the current bank balance is made available for every Committee Meeting, with a single page monthly analysis. A set of accounts is to be with the Chairman for the monthly meeting held in June prior to the AGM to assist determining the Annual Subscriptions for the following season at the July AGM

10.2.13 **Managers’ Responsibilities.** Team Managers are responsible for ensuring the areas used for training and matches are looked after. Managers are required to keep control of players, parents, siblings, parking, leaving areas clean and tidy, locking changing rooms and gates.
