### Explanation of Fees and Charges

A **Membership Fee** is payable at the beginning of the season. Players **WILL NOT be eligible to train or play in competition matches/friendlies until their fee has been paid, or a Payment Plan agreed** and in place. The fee is non-refundable.

A **registration element** of the Membership Fee pays for items such as a player's subscription to the Football Association, League registration where applicable, their insurance, volunteer training and DBS (Disclosure and Barring Service) clearance, kit and equipment.

A **training element** of the Membership Fee pays for the pitches and facilities hired by the Club from the Local Authority and other providers, for the purpose of training. Pitch hire is our most significant cost as a club and as we are obliged to pay hire charges for training venues at the start of the season, we therefore require your Membership Fee to be paid in advance. The Membership Fee assumes one weekly training session during the playing season, subject to weather and pitch conditions.

All Membership Fees are subject to additional charges to cover the cost of all-weather pitch (AWP) or non-standard training pitch facilities, where teams elect to use these and which must be self-funded by the team concerned. For teams that train mid-week at the Surrey Sports Park or any other venue, a supplementary charge is payable. The Team Rep will calculate the pro-rata costs per player for any midweek AWP training and will make arrangements to collect monies from players or parents.

All Membership Fees are payable at the **beginning of the season** (by 08 September 2018 at the latest). The Club will operate a strict '**no pay, no play**' policy with regard to Membership Fees. We appreciate that the Membership Fee may place a financial strain on some of our Members. In such instances, Members may request **Payment Plan** terms. Please contact our Membership Secretary, at [membership@wrfc.club](mailto:membership@wrfc.club) before 08 September 2018 should you wish to set up a Payment Plan. Please note that the initial instalment of any Payment Plan will still be required by 08 September 2018 and the final instalment paid by 1<sup>st</sup> December 2018.

**Match Fees** are payable for **both home and away matches** and will be collected by the Team Rep. Match Fees cover the hire cost of the match pitch and any referee's fee payable. These fees naturally increase as the size of the team increases from Mini Soccer to 11-a-side.

A **Sibling Refund** is available for families with more than one player registered at the Club. We require the full Membership Fee per player to be submitted by 08 September 2018. When completing each Player Registration Form, please note down the name and age group of each additional player, by age group, in the box provided on the Player Registration Form overleaf. The eldest player pays the full Membership Fee. The first additional sibling will pay the full Membership Fee payable by the eldest child but will be eligible for a refund of £5.00. For a third child and any additional children/siblings, a refund of £15.00 will be granted against their full Membership Fee. All refunds will be paid by bank transfer by 31<sup>st</sup> October 2018.
